

Redefining innovation in three dimensions. | **Think. Feel. Drive.**

Built on the principle of innovation.

On ingenuity that generates control and exhilaration.

Design that appeals to the heart as well as the mind.

Delivering an experience even more fulfilling than the destination.

All coming together when you **THINK. FEEL. DRIVE.**

## Innovation

**Symmetrical All-Wheel Drive** All-Wheel Drive (AWD) isn't unique. But Symmetrical AWD is. The foundation of every Subaru, its ideal balance helps ensure stability and poise. Its efficiency at transmitting power ensures greater grip and quick response to slippage. Providing more than just safety on slick roads, it delivers intensified performance on any road. All-wheel drive is not just our heritage, it is our passion.

**Boxer Engine** At the heart of every Subaru is our legendary SUBARU BOXER engine, with pistons laid flat in horizontal opposition. A design we've refined for almost 40 years, it lowers the center of gravity for more precise handling while increasing durability and reducing vibration. And provides outstanding acceleration with every push of the gas pedal. Balance. Stability. Power. It's what makes a Subaru, a Subaru.

Control.

The invigorating balance of performance and stability.

# Safety

At Subaru, every innovation is designed with your safety in mind.

**Accident Avoidance** Every Subaru is engineered to keep you out of harm's way, because the least dangerous accident is the one that never happens. Our Symmetrical AWD and lower center of gravity work in concert with the 4-wheel independent suspension and rigid chassis for nimbleness and agility to help you avoid danger.

**Impact Protection** To protect you when a collision is unavoidable, every Subaru is designed to provide maximum protection. The structure is built around impact beams and a Ring-Shaped Reinforcement Frame body structure to help dissipate the force of a crash. Our commitment to safety is integrated into everything we build.

<sup>1</sup> Not available on all models.

Innovation, in a most dynamic new form. Introducing the progressive sport utility that adapts to your life as eagerly as it takes to the road. The B9 Tribeca is the biggest, most versatile Subaru ever, with flexible seating for up to seven. With new levels of refinement, plenty of cargo and storage space, and available features like touch-screen GPS navigation and a rear-seat DVD entertainment system that give you what you really want in an SUV. And it remains every inch a Subaru—a driver’s vehicle riding on a performance-tuned 4-wheel independent suspension, Vehicle Dynamics Control (VDC) and an extremely rigid platform, all moved by a standard 250-horsepower, 6-cylinder engine coupled with a 5-speed automatic with SPORTSHIFT. Designed inside and out with intelligence and passion, the B9 Tribeca is the new vision from Subaru.

**Versatility** Suitcases. Shopping. Family. The B9 Tribeca is ready with up to 64 unique seating configurations. The 3rd row is evenly split so that you can seat two passengers, or fold one or both seats for increased cargo space. The 2nd row is split three ways, so that three can sit across, or carry longer cargo by folding down one, two or all three seatbacks. It also slides and reclines for more comfort. Both the 5- and 7-passenger versions provide up to 74.4 cu. ft. of cargo capacity.

OUTBACK

Nature beckons. Respond with the capability of the Outback. With up to 8.7 inches of ground clearance, the Outback sedan and wagon equip you with the ability to clear obstacles and travel over rocky surfaces. Yet unlike most truck-based SUVs, on-road performance is not compromised, with a car-derived 4-wheel independent suspension, precise rack-and-pinion steering and rigid chassis. Motivated by a fuel-efficient 175-horsepower 4-cylinder engine, a turbocharged 4-cylinder with 250 horsepower or an ultra-smooth 250-horsepower 6-cylinder engine, most any destination is easily and quickly achieved in the Outback. And with an L.L.Bean® Edition, you can arrive in distinctive style. In the Outback you'll find a vehicle that unites everything you want in a car with everything you need in a SUV.

**Navigation system** Need the nearest gas station, restaurant, point of interest or even an alternate route? It's all here in the available DVD-based GPS navigation system. Along with easy-to-use touch-screen functionality, it provides visual and voice guidance every step of the way.

Outback 2.5 XT Limited Wagon shown in Atlantic Blue Pearl with accessory heavy-duty roof cargo basket.

Legacy 2.5 GT Limited Sedan shown in Obsidian Black Pearl.

Style that's abundant with substance. Handling that inspires pleasure and confidence. The Legacy is a sport sedan or wagon that appeals to the senses, the emotions and the intellect. It engages the driving enthusiast with its exhilarating performance. Invites the touch with an interior rich in refinement. And captures the eye with its elegant exterior. With a sport-tuned suspension, precise

steering, 4-wheel disc brakes and available with a normally aspirated engine producing 175 horsepower or a turbocharged powerplant responsible for 250 hard-charging horses, the Subaru Legacy gives you freedom of control over motion, acceleration, destination.

**Premium interior** Step inside the Legacy to find a world built exclusively to indulge the driver. You'll find a cockpit designed to put every control within easy reach, premium amenities to enhance the ride, and refined materials on every surface.

IMPREZA

Impreza WRX Limited Sedan shown in Crystal Gray Metallic.

A sports car is more than just a machine. It is an extension of the driver, generating extreme performance and intensified exhilaration. Every component of the Subaru Impreza has been designed to expand the outer limits of handling and adhesion. With a 173-horsepower boxer engine in the Impreza 2.5i and Outback Sport, an intercooled turbocharged powerplant capable of 230 ponies for the WRX and a vigorous 300-hp engine in the WRX STI, the Impreza delivers an electrifying jolt of unadulterated thrills. And with a proven chassis and a 4-wheel independent suspension tested and tuned in the unrelenting pursuit of World Rally Championships, the Impreza is engineered to perform like it's hard-wired to your cortex.

**Interior** The cockpit of the Impreza is designed to provide ideal positioning, comfort and support so that the driver can concentrate on the curves of the road.

FORESTER

The intelligent size and remarkable versatility of the Forester redefines what a sport utility vehicle can do. Its safety scores have few equals. Its agile handling takes the SUV to new levels of drivability. Together, they all add up to provide the most valuable asset of all—peace of mind. Whether you value the economy of a spirited 173-horsepower boxer engine or the surprising acceleration of a 230-horsepower turbocharged powerplant, the Forester pleases the driver with its confidence-inspiring handling. And its intelligently proportioned interior and exterior let you fit all the accoutrements of your busy life. In the Forester, you'll find confidence. In going where you want to go. And in taking the important people with you.

**Safety** Since its introduction, the Forester has consistently received the highest crash-test scores in its class, with five-star safety ratings for front- and side-impact collisions in government tests.<sup>1</sup>

<sup>1</sup> Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program.

BAJA

Ruggedness for your adventures, civilized versatility for daily use. Most open-bed vehicles make you sacrifice comfort for versatility. Not so with the Baja. The refined cabin is packed with comfort features for both the front and rear passengers. And the innovative Switchback system gives you flexibility with no compromise on civility.

Motivated by a lively 165-horsepower engine or a potent 210-horsepower turbocharged powerplant to get to your destination even faster, the Subaru Baja merges utility, style and functionality. Rewrite conventions and make your own rules. The Subaru Baja is the sport compact truck that embodies the power of independence.

**Versatile Switchback system** The cargo bed of the Baja provides 17.7 cu. ft. of space, either open or with an available cover. Got a long item to carry? Open the pass-through door, lower the flat-folding rear seat and put the item through into the passenger cabin.

Baja Turbo shown in Atlantic Blue Pearl with optional Leather Package and accessory splash guards.

Enjoying your Subaru for years to come—that’s the promise of our comprehensive warranties and roadside assistance program. It’s a fact attested by the nearly 96% of Subaru vehicles sold in the past 10 years that are still on the road today.<sup>1</sup> It’s the confidence you feel when you get behind the wheel.

- New Car Limited Warranty** 3 years or 36,000 miles, whichever comes first.
- Wear Item Limited Warranty** 3 years or 36,000 miles, whichever comes first.
- Powertrain Limited Warranty** 5 years or 60,000 miles, whichever comes first.
- Rust Perforation Limited Warranty** 5 years, unlimited mileage.

**The Subaru Roadside Assistance Program** covers all 2006 Subaru vehicles during the first 3 years or 36,000 miles, whichever comes first. By calling the toll-free number in the Owner’s Information Kit, Subaru owners can take advantage of any of the following benefits:

- 24-hour Roadside Assistance, seven days a week, 365 days a year, throughout the United States.
- Emergency Towing Service to the nearest authorized Subaru dealer.
- Emergency Roadside Assistance for jump starts, gasoline (up to two gallons), flat tire change, emergency lockout service (lost key or key is locked in the vehicle) and emergency fluid replacement.

**Subaru Added Security®** could be the most important option you choose. Protect your investment with a Subaru Added Security extended service contract—the **only** one backed by Subaru of America, Inc. Ask your salesperson for coverage details and assistance in selecting the plan that’s best for you, up to 7 years or 100,000 miles.

**Stop by [subaru.com](http://subaru.com)** to begin your Subaru experience. Here, you can find extensive information including specs, photos and reviews. Build your own Subaru, locate dealers and schedule a test drive. After your purchase, join [my.subaru.com](http://my.subaru.com), where Subaru owners can manage their vehicle’s service and warranty history, schedule appointments and much more.

Model Overview

LEGACY

2.5i SEDAN AND WAGON | 2.5i SPECIAL EDITION SEDAN AND WAGON | 2.5i LIMITED SEDAN AND WAGON

Legacy 2.5 GT Limited Wagon shown in Brilliant Silver Metallic.

SPECIFICATIONS

- 175-hp 2.5-liter SOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with i-Active Valve Lift System<sup>2</sup>
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel fully independent suspension
- 5-speed manual or 4-speed automatic transmission with SPORTSHIFT® manual control
- 17-inch 5-spoke aluminum-alloy wheels

FEATURES

- Available power tilt/sliding moonroof
- Available 8-way power driver's seat
- Available leather-trimmed upholstery
- Available dual-zone automatic climate control system
- 6-speaker audio system with single-disc in-dash CD player
- Digital trip computer with ambient temperature gauge
- 12-volt power outlets

2.5 GT LIMITED SEDAN | 2.5 GT LIMITED WAGON

SPECIFICATIONS

- 250-hp 2.5-liter DOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Active Valve Control System
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel fully independent suspension
- Reinforced 5-speed manual or 5-speed automatic transmission with SPORTSHIFT manual control
- 17-inch 5-spoke aluminum-alloy wheels

FEATURES

- Performance-design front seats
- Heated power front seats
- Leather-trimmed upholstery
- Leather-wrapped 3-spoke steering wheel
- Steering wheel-mounted SPORTSHIFT buttons (automatic transmission)
- Dual-zone automatic climate control system
- 6-speaker audio system with 6-disc in-dash CD changer
- Available touch-screen GPS navigation system

FORESTER

2.5X | 2.5X L.L.BEAN® EDITION

Forester 2.5 XT Limited shown in Steel Gray Metallic.

2.5 X SPECIFICATIONS

- 173-hp 2.5-liter SOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with i-Active Valve Lift System
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel independent heavy-duty raised suspension
- 5-speed manual or 4-speed automatic transmission
- 16-inch 8-spoke aluminum-alloy wheels (2.5X Premium Package)

2.5 X FEATURES

- 4-speaker audio system with single-disc in-dash CD player
- Multifunction center console
- 12-volt power outlets
- 60/40-split flat-folding rear seatback
- Rear window wiper de-icer
- Digital ambient temperature gauge
- Optional 2.5X Premium Package

2.5 X L.L.BEAN EDITION SPECIFICATIONS

- 173-hp 2.5-liter SOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with i-Active Valve Lift System
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel independent heavy-duty raised suspension
- 4-speed automatic transmission
- 16-inch 5-split-spoke aluminum-alloy wheels

2.5 X L.L.BEAN EDITION FEATURES

- Panoramic power sliding moonroof
- Heated front seats
- L.L.Bean-embossed leather-trimmed upholstery with Alcantara®
- Wood and leather-wrapped steering wheel and shifter handle
- Automatic climate control with air filtration system
- 4-speaker audio system with 6-disc in-dash CD changer
- Durable hard-lined cargo area

2.5 XT LIMITED

SPECIFICATIONS

- 230-hp 2.5-liter DOHC intercooled, turbocharged 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Active Valve Control System
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel independent heavy-duty raised suspension
- 5-speed manual or 4-speed automatic transmission
- 16-inch 6-spoke aluminum-alloy wheels

FEATURES

- Panoramic power sliding moonroof
- Sport-design front seats
- Heated front seats
- 8-way power driver's seat
- Leather-trimmed upholstery
- Leather-wrapped steering wheel and shifter handle
- Automatic climate control with air filtration system
- 7-speaker audio system with 6-disc in-dash CD changer
- 12-volt power outlets
- Silver metallic interior trim

IMPREZA

2.5i SEDAN | 2.5i SPORT WAGON | OUTBACK SPORT WAGON | OUTBACK SPORT WAGON SPECIAL EDITION

Impreza WRX Limited Sedan shown in Crystal Gray Metallic.

SPECIFICATIONS

- 173-hp 2.5-liter SOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with i-Active Valve Lift System
- Symmetrical All-Wheel Drive (AWD)
- Sport-tuned 4-wheel fully independent suspension (2.5i)
- 4-wheel independent heavy-duty raised suspension (Outback Sport)
- 5-speed manual or 4-speed automatic transmission
- 16-inch 5-spoke aluminum-alloy wheels (7-spoke on Outback Sport)

FEATURES

- Sport-design front seats
- 4-speaker audio system with single-disc in-dash CD player
- Digital ambient temperature gauge
- Available 12-volt power outlet
- Center console with armrest and enclosed storage compartment
- Keyless entry system with answer-back electronic chirp
- Under-floor storage compartment (sport wagons)
- Roof rails with crossbars (Outback Sport)

WRX TR, WRX AND WRX LIMITED SEDAN | WRX AND WRX LIMITED SPORT WAGON | WRX STI SEDAN

WRX SPECIFICATIONS

- 230-hp 2.5-liter DOHC intercooled, turbocharged 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Active Valve Control System
- Symmetrical All-Wheel Drive (AWD)
- Sport-tuned 4-wheel fully independent suspension
- 5-speed manual 4-speed automatic transmission
- 17-inch 7-spoke aluminum-alloy wheels

WRX TR, WRX AND WRX LIMITED FEATURES

- Available performance-design front seats
- Available leather-trimmed upholstery
- Leather-wrapped 3-spoke steering wheel
- Sport-design instrumentation with centered tachometer
- Available automatic climate control system
- Available 6-speaker audio system with 6-disc in-dash CD changer

WRX STI SPECIFICATIONS

- 300-hp 2.5-liter DOHC intercooled, turbocharged 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Active Valve Control System
- Symmetrical All-Wheel Drive (AWD) with Driver Controlled Center Differential (DCCD)
- High-performance sport-tuned 4-wheel fully independent suspension
- Brembo® performance braking system with Super Sport ABS
- Short-throw 6-speed manual transmission
- 17-inch 10-spoke BBS® aluminum-alloy wheels

WRX STI FEATURES

- STI-design bodywork including roof-mounted and dual-plane trunk-mounted rear spoilers
- STI-design front seats with Blue Alcantara upholstery
- Leather-wrapped 3-spoke STI-design steering wheel with contrasting red stitching
- STI-design instrumentation with centered tachometer and gauge needles full-sweep on start-up
- Available 6-speaker audio system with 6-disc in-dash CD changer
- Turbocharger intercooler water-spray control

BAJA

SPORT | TURBO

Baja Turbo shown in Obsidian Black Pearl.

BAJA SPORT SPECIFICATIONS

- 165-hp 2.5-liter SOHC 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel independent heavy-duty raised suspension
- 5-speed manual or 4-speed automatic transmission
- 16-inch 5-spoke aluminum-alloy wheels

FEATURES

- Power tilt/sliding moonroof
- Available leather-trimmed upholstery
- Available heated 6-way power adjustable driver's seat
- 4-speaker audio system with single-disc in-dash CD player
- Digital ambient temperature gauge
- 12-volt power outlet
- Switchback System: fold-down rear seatback with pass-through door to cargo-bed area
- Keyless entry system with answer-back chirp
- Available cargo-bed hard cover
- Roof rails with crossbars
- Optional Baja Turbo Leather Package

BAJA TURBO SPECIFICATIONS

- 210-hp 2.5-liter DOHC intercooled, turbocharged 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Active Valve Control System
- Symmetrical All-Wheel Drive (AWD)
- 4-wheel independent heavy-duty raised suspension
- 5-speed manual or 4-speed automatic transmission with SPORTSHIFT manual control
- 16-inch 5-spoke aluminum-alloy wheels (6-spoke with optional Leather Package)

<sup>1</sup> Availability beginning January 2006.

<sup>2</sup> Some 2006 Outback and Legacy models with the naturally aspirated 2.5-liter engine distributed for sale in California (and in Maine, Massachusetts, New York and Vermont, which have adopted California Specification Emission Control Systems and Warranties and are registered for use in those states) will be specially equipped to meet the California-certified Partial Zero Emission Vehicle (PZEV) credited Super Ultra Low Emission Vehicle (SULEV2) requirements. The manufacturer's PZEV emission control system warranty coverage is for 15 years or 150,000 miles, whichever comes first. For complete warranty information, including coverage and exclusions, see your Subaru dealer.

<sup>3</sup> Limited availability. See your dealer for details.
